Mr. Corbin Davis
Clerk of the Michigan Supreme Court

April 20, 2004

Dear Mr. Davis:

The purpose of the message is to voice my concern regarding the proposed court rules referenced above. In short I do not support the implementation of the proposed rules.

I do not believe the rules were drafted to truly promote justice. On the contrary, the proposed rules would only limit the routes a person could take to correct a judicial system that has fail them. Ostensibly the rules would only serve to shunt out people who have no where else to turn. Consequently, I cannot support the proposed rules.
